3 Lessons for a Growing, Spirit-filled, Gospel Revolution Church:

1. Gospel ministry is easily endangered (v. 1-2)

Growth inevitably brings challenges...

1) Growing pains
2) Satanic opposition

1 Peter 5:8

What was at stake in this situation?

1) The unity of the church
2) The reputation of the church

John 13:34-35

3) The priorities of the church

2. Gospel ministry should be graciously embraced (v. 3-6)

The Apostles’ plan was:

1) Embraced by the Church
2) Embraced by the Seven

“Lord, give me a heart like the seven in Acts 6. Grant me the humility to graciously accept your call to serve wherever it may be. Use my life for your honor and glory. Amen.”

3. Gospel ministry can be tremendously enhanced (v. 7)
